

ST. CHARLES FAMILY MEDICAL CENTER

Happy Spring 2008!

Ever wonder how our office works?

Many of our employees job-share office duties including reception, medical assistant, medical records and referrals.

All office personnel work closely together to provide the best patient care possible.

So that means that when you call in you could talk to various employees who can all help address your medical concerns.

At SCFMC Patients Come First!

SCHOOL PHYSICALS

Required for:

- Participation in sports (yearly)
- Kindergarten
- 6th grade
- 9th grade

Please bring *immunization record *urine specimen (keep refrigerated) or prepare to give one in the office.

School physicals are not covered by all insurance plans. Contact your insurance to verify benefits.

Symptoms

Did you know that St. Charles Family Medical's website has a symptom finder that allows our patients to get answers to common ailments quickly? Visit our website at www.stcharlesmed.com

Vaccine News

HPV Vaccine Gardasil is available. The vaccine (3 injections) is recommended for female patients 9-26 years old. Some insurance companies are offering this injection as a covered benefit. Please call your insurance company to verify your individual benefit. Each Injection is \$190.
